

Prof. Dr Vesna Tomić-Spirić
President
Serbian Association of Allergology
and Clinical Immunology

Zurich, 7 June 2018

Dear Professor Tomić-Spirić,

During its last meeting, the EAACI Executive Committee considered your request and has decided to accept your invitation to support the III Scientific Meeting "New insights in the field of allergy and clinical immunology" which will be held from 4th to 7th October 2018 in Subotica, Serbia.

We understand that the main objective of this scientific meeting is to raise awareness of the importance of these diseases, the universal benefit of patients and the improvement of their quality of life.

We kindly ask you to be aware of the following meeting endorsement procedure:

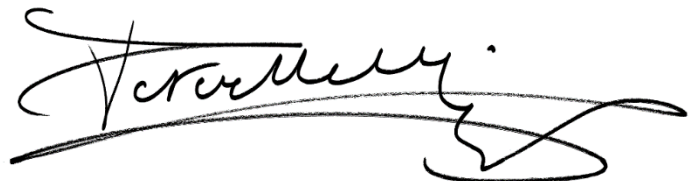

1. EAACI shall be visible during the meeting; the EAACI logo shall appear on a slide during intervals and between oral sessions
2. EAACI shall be actively promoted during the meeting; reference to EAACI and possibilities for membership shall be presented at any opening or official ceremony
3. After the meeting, an official written report of the meeting should be sent to the EAACI Headquarters (communications@eaaci.org), which shall include a report on the outcome of the meeting itself, as well as the visibility of EAACI at the meeting

Please do not hesitate to contact us directly should you require any further information.

Yours sincerely

Ioana Agache
EAACI President

Peter Hellings
EAACI Secretary General
EAACI President-Elect
